Dear Laboratory Director:

Pursuant to section 64E-1.102, paragraphs (5) and (6) of the Florida Administrative Code (FAC), a review of certification documents issued by the state of New York a National Environmental Laboratory Accreditation Program recognized accrediting authority, was conducted. Determination was made on July 28, 2010, that your facility has complied with the personnel, methodology, proficiency testing, and quality assurance requirements of Chapter 64E-1 FAC and with the consensus standards adopted at the National Environmental Laboratory Accreditation Conference.

Based on the authority mandated by sections 381.00591, 403.0625 and 403.863 Florida Statutes and chapter 64E-1 FAC, I hereby declare that

Centek Laboratories, LLC

is granted reciprocal certification to perform analyses in the following categories on environmental samples:

Air and Emissions – Volatile Organics

Certification in this case specifies that the above named laboratory has met the minimum requirements for a certified laboratory as set forth in section 64E-1.102 FAC.

This certification is effective as of July 28, 2010, and shall be in effect until June 30, 2011, or until revoked by the Florida Department of Health.

If I can be of any further assistance, feel free to call me at (904) 791-1584 or [regina\\_jones@doh.state.fl.us](mailto:regina_jones@doh.state.fl.us)
