

Letter of Attestation
Candidate for LEED Accreditation: David Linda
Attn: Green Building Certification Institute
2101 L Street NW, Suite 650
Washington DC 20037

November 17, 2009

Dear GBCI,

This is a letter to confirm that David Linda of Centek Laboratories was a consultant to Tasty Baking Company, project ID 10095468, a LEED-NC v2.2 project in Philadelphia, PA. David provided invaluable consulting services to ensure the occupants and employees at Tasty Bakery had good indoor air quality post construction. He has been involved with the project from May 12, 2009 to the present. David provided information regarding air quality testing methods consistent with EQc3.2, including methodology, equipment recommendations, equipment operation, best practices etc. He provided the equipment, analyzed the results and put together a report. He is breaking down barriers to good air quality verification and pollution detection by making it straightforward and economical.

Sincerely,

Travis Douglas, LEED AP
LEED Consultant to the Tasty Baking Company project
